Besides selling your books assiduously on-line, there are a number of different methods that can help you sell extra books.

One is to give something away for free with your guide, resembling a priceless bonus item. Or bundle a number of ebooks below one worth, which lowers the worth for each book in the event that they had been sold separately.

An effective technique for determining a worth is to ship out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion in terms of price. Do this by creating a gross sales web page for the new e-book, however don't embody a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Make certain your sales copy is preeminently the identical on each page, and contains your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum value is.

Finally, for those who've written a guide that solves a downside or presents a new technique, your e-book will usher in each visitors and profits. So make sure you write that promoting-handle sentence that sums up what downside your e-book solves and what the benefits of your [PDF] ebook can be to the purchasers who purchase it.
